Orange, CA. 92869

Thanks for your support and helping to make the golf tournament a great success!

Go Vanguards!

The **El Modena High School** Baseball Booster Club is proud to present the **6th Annual ELMO Golf Tournament**, proceeds of which will go directly to support the Vanguard Baseball Teams.

This tournament is the main fundraiser for the baseball program, which is almost entirely self-funded. The Booster Club coordinates all the fundraising efforts, leaving the coaches more time to coach our boys. Last year's tournament was a tremendous success. We hope to do even better this year.

In order to continue the winning Vanguard tradition and maintain the high caliber program currently in place at El Modena, the Booster Club, in conjunction with parents, friends and local businesses are inviting you to a great day of golf at the fabulous and private **“Yorba Linda Country Club.”**
