

Dear Friends of El Modena High School:

The success of El Modena High School's baseball program depends on the generosity of individuals, businesses, and organizations in our community. To help raise the funds necessary to continue operating a successful program, the baseball boosters will be hosting its 20th Annual Golf Tournament on **November 20th**, at the Yorba Linda Country Club. All funds raised from the tournament will go directly to the program. We are asking for your generous support to make this event a success.

This year's tournament will include raffles, silent and live auctions to raise money for our program. On behalf of the El Modena baseball program, we ask that you consider donating one or more of the following items to help us fund our annual budget:

- Retail items
- Gift cards
- Memorabilia
- Vacation timeshares
- Rental homes
- Vacation travel
- Admission passes

Of course, anything else of value that can be used at our auction and raffle to benefit the program would be gladly welcomed.

All donations are tax deductible (Tax Id. No. 06-1766049) and greatly appreciated.

If you have any questions, please contact our President, Billy Applegate, at president@elmodbaseball.org.

Thank you for your support.
