

EL MODENA BASEBALL

“Banner Sponsor”

The success of El Modena High School's baseball program hinges on the generosity of people and organizations in the community. Help our program and advertise your company by becoming a banner sponsor. Your sign will be professionally printed according to your specifications and hung at our varsity baseball field for the duration of the upcoming season. This is a great opportunity for your company to support a great group of young student-athletes and advertise your business to hundreds of people at the same time. Thank you for supporting El Modena baseball!
